

2009 RADIATION THERAPY TECHNOLOGY EDUCATION MATCHING FUND PROGRAM

MATCHING FUND REQUIREMENTS AND OBLIGATIONS

Purpose

To provide additional revenue to bolster enrollment, aid in the cost of education materials and distance-based learning, ASTRO has established a radiation therapy technology education matching fund program to encourage participation in promoting education.

Information

1. This contribution helps promote the active and certified RTT programs as well as helping to fund the cost of materials, distance-based learning and encourage enrollment at this institution.
2. ASTRO members should select any active and certified RTT program as the recipient of their contribution and indicate how the funds will be used for the program.
3. Members should send their contribution to the Radiation Oncology Institute.
4. The Radiation Oncology Institute will match contributed amounts up to \$5,000 for any one program.
5. The total amount for all programs to be matched in a given year is \$30,000.
