Leadership Pipeline Program
ASTRO’s inclusive career development program aimed at diversifying leadership

Application
Complete an online form with demographic information, a statement of interest, relevant experience, what you see the opportunity for in the program, and a CV. An up-to-date contact list and interested individuals list is also requested.

YEAR 1

Dive into ASTRO
Learn about ASTRO’s structure. Start building your network.
- Join a committee and start on a project.
- Receive mentorship from ASTRO leadership.

YEAR 2

Dive Deeper
- Continue working on a committee project.
- Attend and contribute to the next cohort of prototypes.
- Act as a liaison for an assigned year 1 project.
- Submit an educational session to the ASTRO Annual Meeting.
- Complete video diaries about your experiences; video diaries will be shared online.

YEAR 1 Deliverables
Your completion of or contribution to a project is one measure of success. You will also present to other protégés, ASTRO committee and council leadership, and ASTRO staff about your experience.

Beyond

Year 2 Deliverables
- Year 2 protégés will write an informational report and virtually present about their experience at an ASTRO Board meeting.
- The completion of a project to a project will be as well as the completion of video diaries will be noted.
- Lead quarterly calls with years 1 and years 2 to discuss each other.

Pay it Forward
- Remain involved in ASTRO committees as a dedicated volunteer.
- Help others understand more about ASTRO’s structure, leadership pipeline, and how to get involved.
