Voting is the one of the most powerful ways to make your voice heard in our democracy, but in 2016, only 61.4% of the voting age population in the United States reported voting.

Modern technology has improved access to information on candidates and made it easier to register to vote in many areas, and it is vital to be aware of how you can participate in the 2020 election.

Utah’s absentee and mail-in voting procedures

Permanent absentee / mail-in voting procedures:

• Every voter receives a mail-in ballot by default

2020 state absentee / mail-in voting status:

• Coronavirus updates: Counties required to provide in-person voting in some form for the November 3, 2020 election in addition to its default vote-by-mail system.
