Have you ever wanted to get more involved with ASTRO's advocacy efforts? Attending Advocacy Day is a great way to get started. This free webinar features great speakers who will recap this year's Advocacy Day and highlight the policies ASTRO is working on with elected officials, as well as upcoming challenges facing the specialty. Hear from the speakers about why they personally engage with policymakers and participate in Advocacy Day. As an added bonus, the speakers will discuss top staffing concerns based on a survey of ASTRO members.
