

# Join ASTRO Now at a New Low Rate!

Special membership offer to residents who will complete a residency or fellowship in 2021.

Join ASTRO today at the special rate of only **\$69** and become a member for the remainder of 2021. We'll even waive your application fee.

Join prior to **December 31** and **SAVE 50 PERCENT** on your 2022 membership dues.

➤ **Apply at [www.astro.org](http://www.astro.org) • Log in and click Join ASTRO.**

## **You've worked hard and you're almost there – you are about to complete your residency!**

ASTRO has made it easier than ever for you to become a full member and enjoy the benefits of your professional society. Your voice is important to ASTRO and to the field of radiation oncology.

Membership in ASTRO allows you to continue your professional development and it's also an investment in your future. We are offering you the opportunity to join ASTRO at a very low discount rate for the remainder of this year and for next year.\*

You will qualify for all the benefits of membership including:

- Free print and online subscriptions to the *International Journal of Radiation Oncology•Biology•Physics* (Red Journal) and *Practical Radiation Oncology* (PRO).
- Free subscriptions to the weekly ASTROgram and quarterly *ASTRONews* magazine.
- Member discounts for submissions to *Advances in Radiation Oncology*, meeting registrations, courses and publications.
- Opportunity to earn continuing education credit through CME, SA-CME and PQI offerings.
- Access to the ASTRO Member Directory.
- Volunteer and leadership opportunities.
- Voting rights in society elections and bylaws changes.

*\*This offer is available only if you join ASTRO before December 31, 2021.*
