Annual Meeting General Evaluation

Welcome to the 2020 ASTRO Virtual Annual Meeting General Evaluation!

Note: This is not for session evaluation. To access session evaluations, click the "Back" button and then select "Session Evaluation". To exit the evaluation, click the word "Done" in the upper left-hand corner to take you back to assess session level evaluations.

Your participation is important and will help us to improve your experience at both future in-person and virtual ASTRO meetings.

We know your time is important, so we've designed the survey to take approximately **5 to 8 minutes** to complete. You must complete this evaluation to receive continuing education (CME) credits. Please complete this evaluation in one sitting. The data you entered will not be saved unless you complete all required questions.

Once you complete the Annual Meeting General Evaluation, return to your My Credits page to **download and print your certificates.**
