

GLOBAL ONCOLOGY:
RADIATION THERAPY IN A CHANGING WORLD

[Home](#) | [Key Contacts](#) | [Exhibit Information](#) | [Sponsorship](#)

First and foremost, all of us at ASTRO hope that you, your family and colleagues are doing as well as possible during this COVID-19 medical crisis.

This is a friendly reminder to register for an ASTRO Exhibitor Town Hall to learn how the ASTRO 2020 Annual Meeting will allow your company to engage with radiation oncology professionals from around the globe this fall. We want to give you more details about how your company can use our versatile and robust online platform to promote your products and services, chat with attendees (in multiple languages), host product launches, collect visitor leads and much more.

We have three different days and times to choose from next week, so join us for the one that works best for you. If you are not able to attend a live Town Hall, a recording will be available on the ASTRO website the following week.

Wednesday, May 27
12:00 p.m. – 1:00 p.m. (ET)

Thursday, May 28
10:00 a.m. – 11:00 a.m. (ET)

Friday, May 29
3:00 p.m. – 4:00 p.m. (ET)

We hope you will join us to learn more about ASTRO's 2020 Annual Meeting plans and our immersive virtual platform. We thank you for all you do to keep the radiation oncology sector strong. Your support means the world to ASTRO and cancer patients.
