

Join us for a Virtual Happy Hour scheduled to take place on Monday, October 26 from 5:30 p.m. – 6:30 p.m.

Join ASTRO attendees at the Monday evening Virtual Happy Hour events for some networking opportunities and a bit of fun on the side.

Between 5:30 p.m. and 6:30 p.m., there will be four thematic happy hour events including:

- Gray Parly — Gather your colleagues and come join the ASTRO version of the hit game show Jeopardy.
- Pub Trivia — Grab your favorite bubbly beverage to join us in a battle for who has the greatest knowledge of trivia!
- Virtual Vineyard — Turn your living room into a tasting room with our Virtual Vineyard.
- Virtual Museum — Take a trip through some of the world’s greatest collections in virtual museum and gallery tours from the comfort of your home.

All attendees will be encouraged to visit the Exhibit Hall to interact with exhibitor representatives during the happy hour. While you are not required to participate in these happy hours, we strongly encourage you to take this opportunity to connect and interact with attendees while promoting your products and services.
