

# Claiming Your Credit for the 2021 ASTRO Annual Meeting

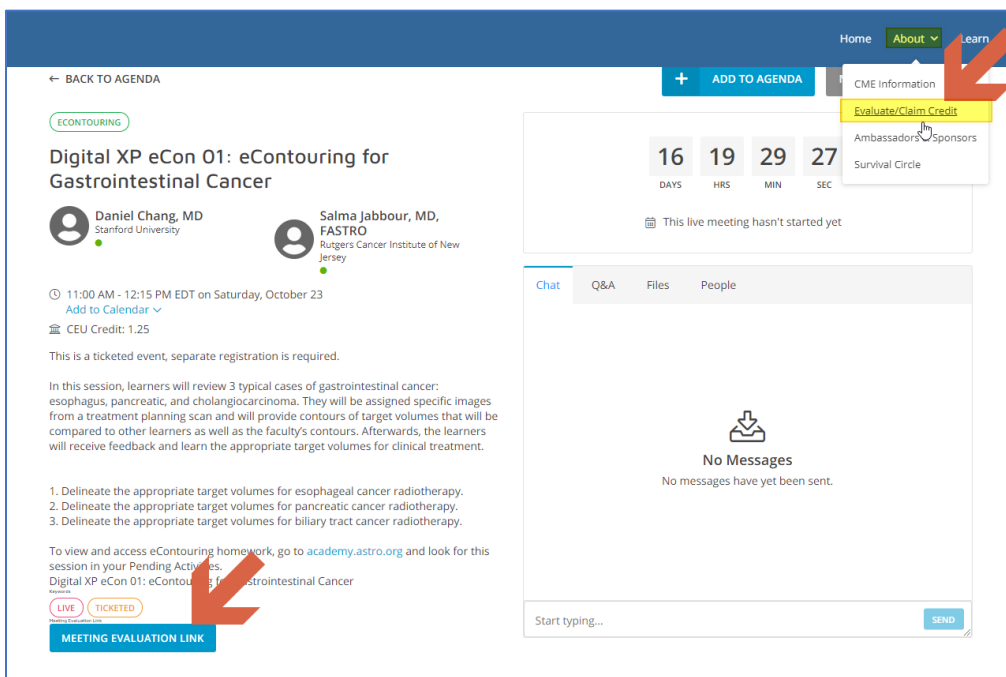

Note: Live SA-CME assessments are in the [academy.astro.org](http://academy.astro.org). Log in and look under Pending Activities. You must use your [astro.org](http://astro.org) credentials (email and password) to log in.

For all other evaluations, log in to the Annual Meeting Conference Planner at <http://www.astro.org/ConferencePlanner>, the official Annual Meeting mobile app (MyASTROApp), or the Digital XP platform. You must use your [astro.org](http://astro.org) credentials (email and password) to log in.

On the Conference Planner, click on Evaluate/Claim Credit:

On the Digital XP Platform, click About>Evaluate/Claim Credit:

**Evaluate/Claim Credit** will take you to the main page of the evaluation portal: My Credits & Learner Data. If this is the first time you are logging in to claim credit, you will be asked to edit your profile first.

### Step 1 of 1: Edit Profile

Please review your details below.  
**Note:** This is required in order to generate and distribute certificates and transcripts for credit awarded.

\* indicates a required item.

#### Contact Information

Your contact information is pulled from your ASTRO account each time you sign in. If you would like to update your contact information, please update your ASTRO account. Your contact information will be updated the next time you sign in.

\* First/Given Name:

## My Credits & Learner Data

### Meeting: ASTRO 2021 Annual Meeting - Embracing Change: Advancing Person-Centered Care

The information below details all of the sessions awarding credit for which you have completed, are enrolled in, or are available to enroll or review, for this activity.

The Evaluation has been completed successfully and Credits have been awarded.

[COMPLETE MEETING EVALUATION](#) [CREDIT SUMMARY & ACTIVITIES](#)

You must complete the meeting evaluation form before you can print your certificate.

#### Credits Awarded / Completed

Sessions listed below have credit awarded to them.

Session	Time	Action
Multidisciplinary Management of Very High Risk to Oligometastatic Prostate Cancer	10/24/2021 1:30 - 2:45	Remove Credit View/Print Evaluation

#### Available Sessions

All remaining sessions are organized below.

Sat, Oct 23, 2021 Sun, Oct 24, 2021 Mon, Oct 25, 2021 Tue, Oct 26, 2021 Wed, Oct 27, 2021

Session	Type	Action
Latin American ASTRO	International	Add Credit
Digital XP Panel 01 - A Primer on Clinical Trial Design to Interpret and Translate Findings to Patient Care	Digital XP Simulve	Add Credit

#### General Meeting Evaluation:

The Annual Meeting General Evaluation helps us to improve your experience at future in-person and virtual ASTRO meetings. The survey takes approximately 5 to 8 minutes and must be completed in one sitting. You must complete this evaluation to receive your certificate of attendance and/or continuing medical education (CME) credits.

To complete the Annual Meeting General Evaluation, click on **Complete Meeting Evaluation** at the top of your My Credits & Learner Data page. *You must complete at least ONE session evaluation before accessing the general Meeting Evaluation.*

## 2021 Annual Meeting General Evaluation

Welcome to the 2021 ASTRO Annual Meeting General Evaluation!

**Note:** This is not for session evaluation. To claim Continuing Education Credits, please be sure to complete the session evaluation for each session you attended.

Your participation is important and will help us to improve your experience at future ASTRO Annual Meetings.

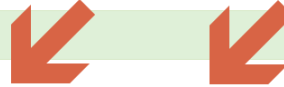

Once you complete the Annual Meeting General Evaluation, return to your My Credits & Learner Data page to **print** or **email** your certificate(s) and transcript.
