## 12 WAYS TO GET THE MOST OUT OF YOUR ASTRO ANNUAL MEETING EXPERIENCE

1. Download the MyASTROApp or visit the Conference Planner to plan your schedule.
2. View and listen to narrated posters on the MyASTROApp or Conference Planner prior to attending Poster Q&A sessions; come to the sessions with questions for the presenters.
3. Browse state-of-the-art radiation oncology technology in the Exhibit Hall.
4. Interact with vendors during the Exhibit Hall Networking Reception.
5. Connect with colleagues on the MyASTROApp or Annual Meeting Community throughout the meeting.
6. Join the conversation on Twitter using #ASTRO22; follow the #ASTRO22 Social Champions.
7. Attend the Science Highlights sessions for an overview of the top science being presented.
8. Join the fun! Relax, recharge and gather with colleagues in the ASTRO Game Zone.
9. Stop by the ASTRO Resource Center to learn more about your member benefits and ASTRO programs and to get your CME/MOC questions answered.
10. Pick up a copy of the Daily News on Sunday, Monday and Tuesday for the day's schedule-at-a-glance, recaps of the previous days events and society news.
11. Check your email every morning for your daily update including meeting highlights, changes, abstract summaries and important reminders.
12. Wear comfortable shoes because there's lots to see, do and learn.

### KEY

- **Education Sessions (EDU)** – Evidence-based sessions focused on what we know and what we are currently doing; standard of care.
- **Oral Scientific Sessions (SS)** – Ten-minute abstract presentations with Q&A, grouped by track and often summarized by a discussant.
- **Panel Sessions** – Moderated discussions led by expert panelists on current topics in an interactive format.
- **Poster Q&A Sessions (PQA)** – Posters grouped by track. Authors have five minutes for individual poster presentations and three minutes for Q&A followed by open Q&A.
- **Quick Pitch Sessions (QP)** – Oral scientific presentation sessions formatted with an introduction by the moderator and short presentations by abstract presenters followed by a moderated Q&A period.
- **Science Highlights Sessions (SH)** – Overview of four to six of the most clinically relevant abstracts within each track presented by an expert discussant.
- **Storytelling Sessions (ST)** – Members, patients and experts in the field share their experiences through compelling stories; attendees are invited to interact with speakers in a more personal way.
- **Master Classes** – Deep dives into specific topics. (Ticket required for admission.)

### BE SURE TO VISIT:

- **Exhibit Hall** – Open Sunday, Monday and Tuesday from 10:00 a.m. – 5:00 p.m. in Halls 2-4.
  - **Posters** – All posters are digital and grouped by disease site in Hall 1.
  - **ASTRO Bistro** – Open for lunch Sunday, Monday and Tuesday from 11:00 a.m. – 2:30 p.m. Ticket required.
  - **ASTRO Game Zone** – Open Sunday, Monday and Tuesday from 10:00 a.m. – 5:00 p.m. in the back of Hall 2.
  - **Survivor Circle Booth** – Fold an origami crane. Help ASTRO reach our goal of 1,000 cranes and make a wish for the comfort and healing of our cancer patients.
