Stand Out in the Crowd by Participating in the ASTRO PRODUCT SHOWCASE

ASTRO will once again offer the Product Showcase at ASTRO 2023. Attendees are always looking for new and exciting products and services in the radiation oncology industry. The Product Showcase provides a unique platform to promote your company's products, maximize sales interest and generate more traffic to your booth. The Product Showcase is prominently featured in the Conference Planner and the MyASTROApp - the official meeting app. Participants provide product information, marketing brochures and videos to promote their cutting-edge products to ASTRO attendees. On site, the Product Showcase will be featured on a highly visible, electronic billboard near an entrance of the Exhibit Hall.

Product Showcase participants receive the following additional benefits:

- Your company's product will be featured in the searchable Product Showcase directory available in the Conference Planner and MyASTROApp — the official meeting app — before, during and after the meeting. Participating exhibitors may include a product photo, a product video, a product description and a marketing brochure in the searchable directory.
- Products will be featured in a special section of the printed Exhibitor Directory and will include your product name, product photo, company name and booth number.
Deadline: June 20, 2023
- The Product Showcase will also be featured in an issue of the ASTRO Daily News distributed on site at the meeting. Each listing will include your product name, company name and booth number.
Deadline for ASTRO Daily News: June 20, 2023

Participation Fee: \$3,500 per product for first product
\$2,000 for each additional product

BONUS FOR 2023!

Complimentary upgraded exhibitor listing in the printed Exhibitor Directory included with the following features:
