

AM Portal Instructions

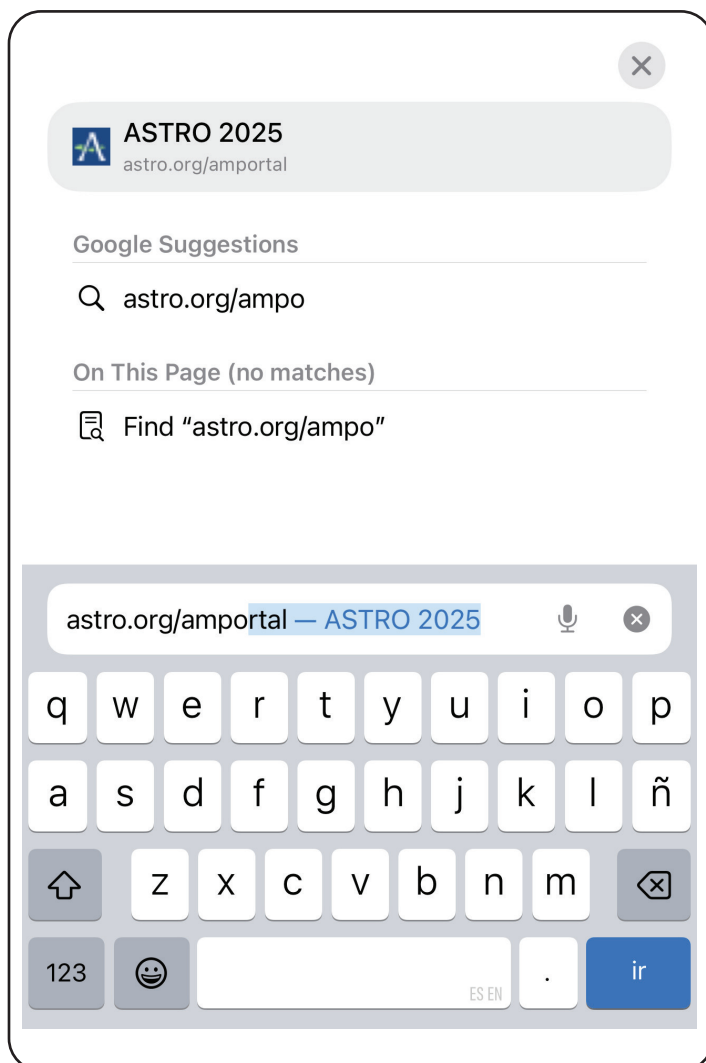

Missing ASTRO's app? Do not fear, this year we have a mobile-friendly portal that is your one-stop shop for meeting needs. Bookmark the AM Portal on all devices by going to **www.astro.org/amportal**.

Add a shortcut to the AM Portal to your phone or tablet. **Here's how:**

iPhone Users:

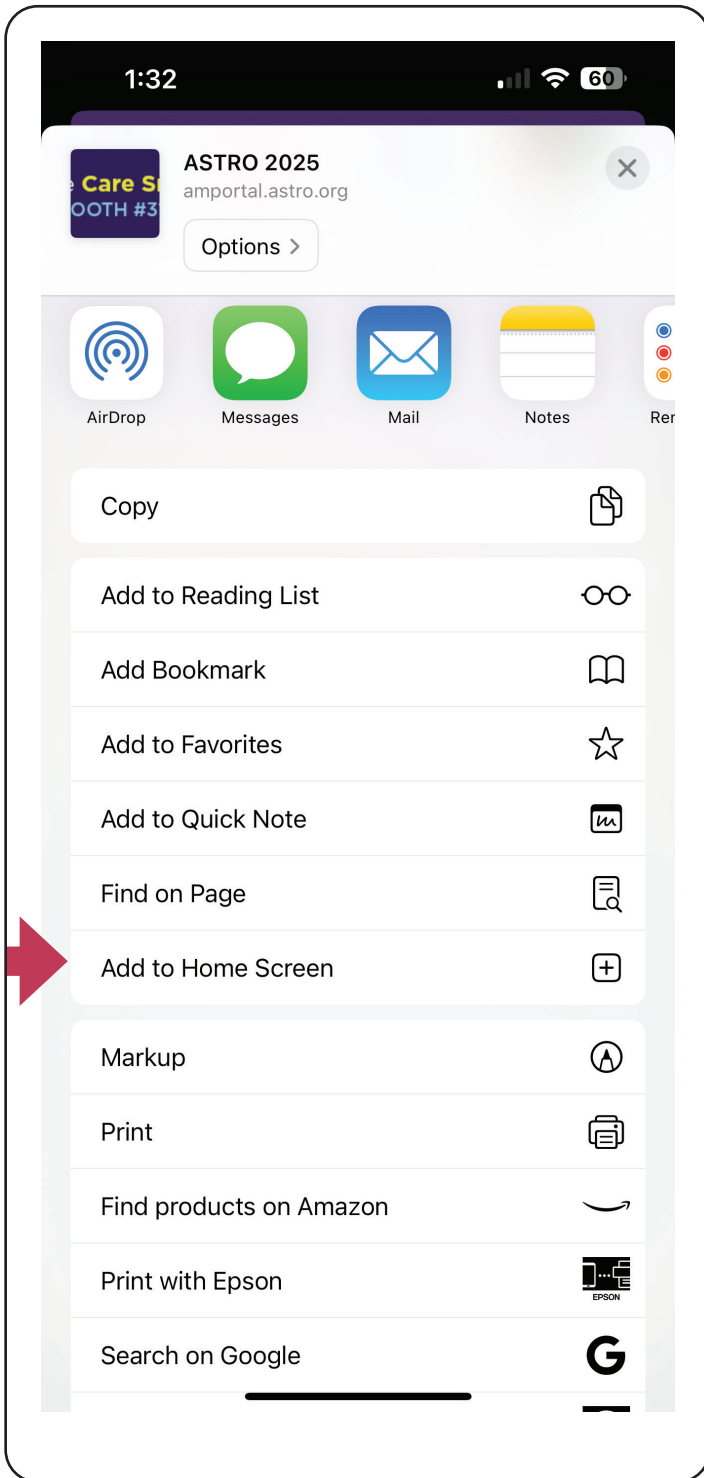

- Go to **ASTRO.org/amportal** on your browser.

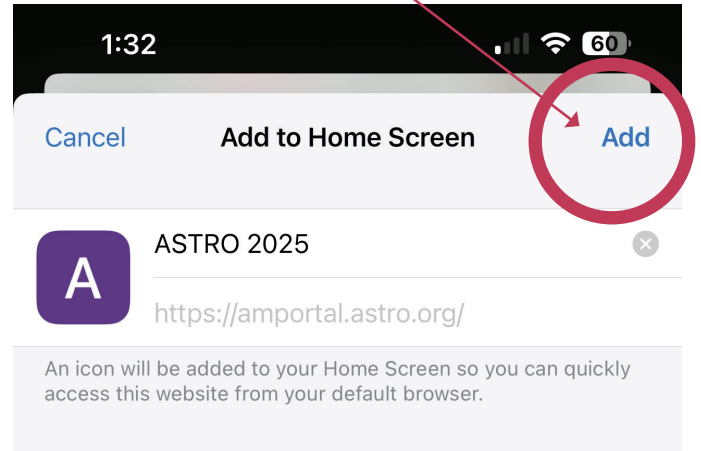

- Click on the share button.

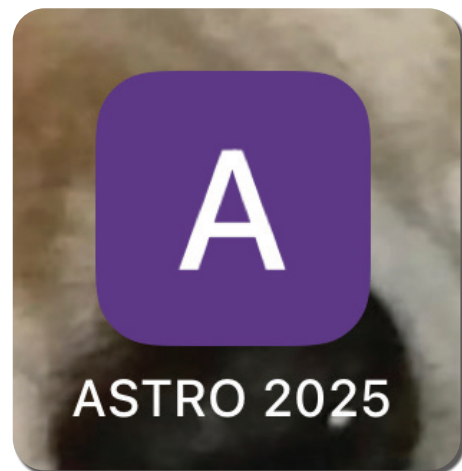

- Scroll down and select Add to Home Screen – Name should default to ASTRO 2025.

- Select Add in the upper right-hand corner.

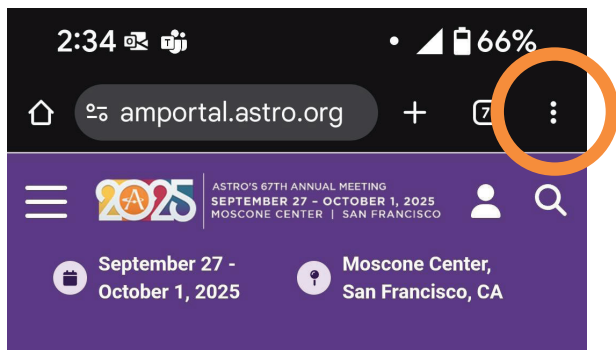

- Your home screen will have an icon like any other app. Move it to the location on your home screens where you want it.

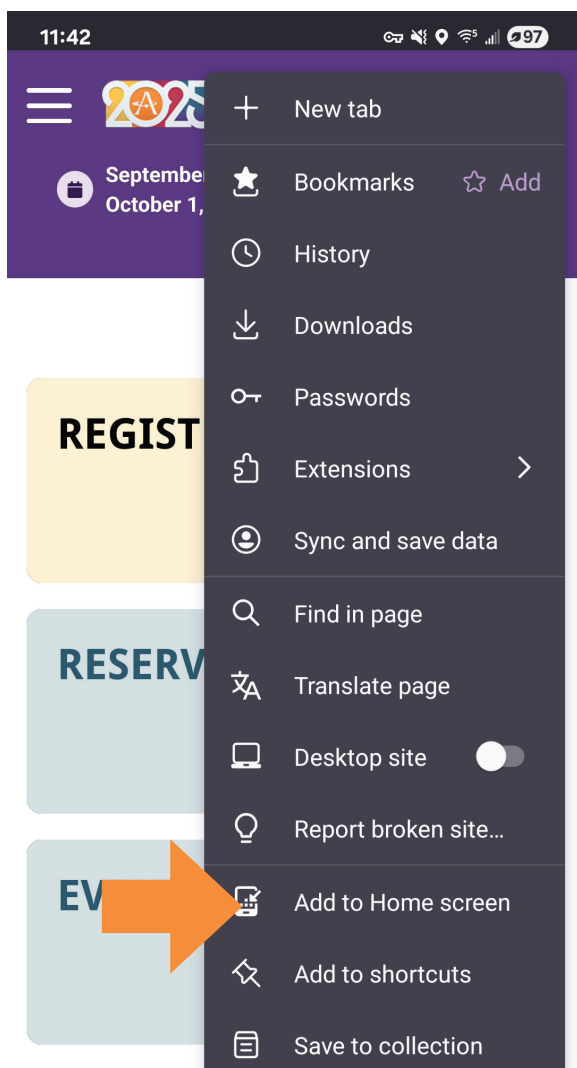

- When you select it, you will go directly to the portal.

Android Users:

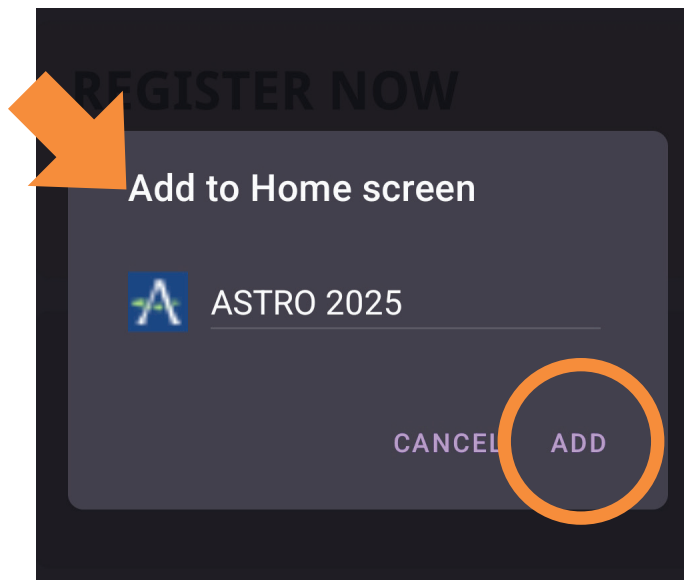

- Go to astro.org/amportal on your browser and click 3 vertical dots on the upper right corner to expand the browser menu. (Google Chrome recommended)

- Select "Add to Home screen".

- Create the shortcut.

- The widget to add to your home screen will appear. Move it to the location of your choice on your home screen.
- When you select it, you will go directly to the portal.
