

## 2022 Multidisciplinary Head and Neck Cancers Symposium · Planning Committee Disclosure of Relationships

The American Society for Radiation Oncology (ASTRO) is an Accreditation Council for Continuing Medical Education (ACCME)-accredited CME provider and complies with the ACCME Standards for Commercial Support. In accordance with these Standards, the ASTRO Conflict of Interest Policy and the Council for Medical Specialty Societies' Code for Interactions with Companies, ASTRO is disclosing here the relationships between faculty of the 2022 Multidisciplinary Head and Neck Cancers Symposium and other entities related to oncology or radiation therapy.

### Explanatory notes:

- ASTRO uses the information disclosed to identify and manage any potential conflicts of interest that may arise in carrying out the responsibilities of the committees.
- Committee members disclose their own relationships and those of their immediate family members.
- There is no “minimum value” threshold for disclosure.
- Disclosure time period covers relationships held or payments received during the year leading up to the disclosure.
- The disclosure information is relevant only to the planning of the 2022 Multidisciplinary Head and Neckic Cancers Symposium and should be considered out of date after this time.
- This information may be different from disclosure information provided in other contexts by the committee members because of variation in disclosure requests for these other purposes.

**Employment** = positions held at the time of disclosure. These include both full- and part-time relationships, whether compensated or uncompensated.

**Compensation/Remuneration/Funding** = includes consultant/advisory roles, honoraria, research funding, travel expenses, in-kind donation, etc. If a committee member receives an honorarium and donates it to charity, the honorarium is disclosed. If a committee member declines an honorarium and it is paid directly to charity, the honorarium is not included. Honoraria from accredited CME providers are not included.

**Ownership or Investment Interests** = includes stock, stock options, partnership, royalties or patents. Stocks in mutual funds, blind trusts or other holdings that are not controlled by the individual or an immediate family member are not included.

**Leadership Positions** = positions held in other organizations or entities.

The ASTRO Conflict of Interest Policies are available at <http://www.astro.org/coipolicies>. Please direct any questions to [education@astro.org](mailto:education@astro.org).
