

## Bionix® Radiation Therapy now offering a Subscription Service.

**Toledo, OH- October 15<sup>th</sup>, 2018:** Bionix Radiation Therapy is pleased to announce the launch of their new subscription service. The Bionix Radiation Therapy Subscription Program is an online based service that delivers a simple experience for customers and their facilities. Products that are offered in the subscription program are Embrace™ Thermoplastic, TruGuard™, Accu-Tatt™, MoldCare® and SecureFoam.

Customers simply visit [www.bionixrtssubscribe.com](http://www.bionixrtssubscribe.com) to register for an account. Within 24 hours, their account will be verified, and they will receive a username and password via email. They then can select the product(s) they want to receive on a monthly basis, enter payment information and check out. Orders will be shipped during the first week of each month, so customers will know when to expect to receive their product. Subscribers will also have special access to promotional codes and special offers within the program.

The Subscription Program will officially launch at ASTRO's 60<sup>th</sup> Annual Meeting in San Antonio, Texas where customers can learn more about the program and sign up in Bionix Radiation Therapy's booth (#633).
