**Future Topics**

- Radiation Therapy for WHO Grade 4 Adult-type Diffuse Gliomas (Replacement of 2016 RT for glioblastoma) | ASTRO |
- Gastric Cancer | ASTRO |
- Stereotactic body radiation therapy (SBRT) for early-stage NSCLC (Replacement of 2017 guideline) | ASTRO |
- Anal Cancer | ASTRO, ASCO |

* The lead society is listed first for collaborative guidelines. ASTRO has at least one representative on each of these guideline panels.
