NON-CME GUIDELINES

Definition

Non-CME Informational/Educational Program (“Program”) refers to any educational activity that is independently organized, held in conjunction with ASTRO’s Annual Meeting and does not carry Continuing Medical Education (CME) credit.

Application Process

The organization interested in holding a Program shall submit a written application (Appendix A) and a completed Letter of Agreement (Appendix B) to ASTRO’s Education Department by June 12, 2025. Applications will be reviewed by ASTRO staff. Time and space constraints may limit the number of opportunities available.*

Programs must be final upon submission. Incomplete applications will not be reviewed.

Please email your completed application to:
annualmeeting@astro.org.

Questions? Please contact ASTRO’s Education Department at 703-502-1550.

Eligibility Criteria

The organization must adhere to the following criteria:

- Fulfill any funding obligations (see Appendix D).
- Be an ASTRO Corporate Member (see Appendix E).
- Hold ASTRO harmless from any and all claims that may result from the program.

ASTRO reserves the right to:

- Reject any proposal that does not meet the criteria set forth in these guidelines.
- Reject any proposal for reasons solely determined by ASTRO, including a decision to limit the number of industry-organized activities at the Annual Meeting.
- Consult with the organization to assure appropriateness of activity outcome.

**ASTRO has determined that no more than three concurrent symposia are permitted per allocated time frame.*

Program Content

- Program content must be developed independently, free of bias and cannot overlap with content currently being presented at the 2025 ASTRO Annual Meeting.
- Program title must be indicative of the Program content.
- Objectives must clearly meet the educational needs of the target audience.
- Program must be presented in an objective, balanced and scientifically rigorous manner, and cannot commercially promote a specific drug, product or service.
- Content and related materials must promote evidence-based learning for optimum patient outcomes and patient safety.
- Content cannot promote a specific proprietary business interest of a commercial entity.
- Presentation must be fair and balanced when discussing specific products.
- Program provider must provide ASTRO with an evaluation summary once the program is complete.

Audit

To ensure compliance, your program will be reviewed and may be audited by ASTRO staff.

NON-CME GUIDELINES (continued)

Role of Faculty

- Participating faculty must disclose all relevant relationships/interests to the review committee and attendees to determine any conflicts of interest.
- Faculty must be independent subject matter experts, scientists and/or clinicians.
- Faculty must present an evidence-based, balanced presentation with a rigorous scientific review.
- Product-specific promotional material or advertisement of any type is prohibited during the presentation.

Leadership Participation

ASTRO elected officials and chairs of committees and subcommittees directly and currently involved in ASTRO Annual Meeting programs are prohibited from participation in Non-CME Informational/Educational Programs, except as attendees who receive no honorarium or reimbursement. See Appendix C for a complete listing. ASTRO reserves the right to reject any proposed faculty member or planner that it deems may have a conflict of interest with ASTRO-organized activities.

If you have questions on a speaker's eligibility to participate, please contact ASTRO's Education Department at 703-502-1550.

Scheduling

ASTRO policy prohibits competing activities with the ASTRO educational program. The following dates and times are available:

Saturday, September 27, 2025, after 6:15 p.m.
Sunday, September 28, 2025, after 6:00 p.m.
Monday, September 29, 2025, after 6:00 p.m.
Tuesday, September 30, 2025, after 6:15 p.m.
Wednesday, October 1, 2025, after 1:45 p.m.

The times provided are subject to change.

Promotion/Marketing

ASTRO encourages independent promotion of the approved Program. ASTRO must approve the content of all such material prior to printing, distribution or posting on the internet. All marketing materials should be sent for review to ASTRO's Education Department at annualmeeting@astro.org no later than August 22, 2025. Invitations and announcements

addressed to ASTRO registrants should clearly indicate the name(s) of the organization(s) funding the program and must adhere to the following ASTRO logo use:

The name American Society for Radiation Oncology, the acronym ASTRO and the ASTRO logo are registered trademarks of the American Society for Radiation Oncology. Except as explicitly indicated in these Non-CME Informational/Educational Program Guidelines, any other mark owned by ASTRO in conjunction with promotional materials, advertisements, email marketing, company websites, endorsements, statements, contests and/or awards in conjunction with the Program is strictly prohibited. Further, the name American Society for Radiation Oncology, the acronym ASTRO, or any other ASTRO registered trademark in a company name, website address, email signature/tag line may not be used to promote the Program.

Promotional and marketing materials for the Program must contain the following statement:

"The American Society for Radiation Oncology (ASTRO) has reviewed and approved this Program as appropriate for presentation as a Non-CME Informational/Educational Program. The Program constitutes the content and views of the provider and is not part of the official ASTRO Annual Meeting program."

In addition, if the Program is adhering to deadlines and ASTRO approves the Program and relevant text on time, ASTRO will promote the Program through the following methods:

- Listing on the ASTRO website (www.astro.org).
- Listing in the *ASTROnews* Annual Meeting Special Edition and ASTRO Daily News.
- Listing in the ASTRO Annual Meeting Portal.
- ASTRO Social Media.
- Preshow email from ASTRO to meeting attendees.

To assist with your marketing efforts, ASTRO will provide the following complimentary lists at your request once marketing materials are approved by ASTRO:

- ASTRO membership mailing list.
 - 2025 Annual Meeting preshow attendee list.
- Lists are for one-time use only upon request. Please complete the preshow attendee list form and send to annualmeeting@astro.org.*

NON-CME GUIDELINES (continued)

The Preshow Attendee List and Membership List request deadline is August 29, 2025. List request forms will be sent to the Program provider and should be emailed to ASTRO's Education Department at annualmeeting@astro.org no later than August 29, 2025. Please allow 10 business days for processing from the time of order placement. The following requirements must be observed prior to, during and following the event:

- Program will be an "invitation" event. Provider has the option to welcome walk-ins.
- No commercial displays will be allowed in the meeting room at any time.
- No sales or product promotion to attendees are allowed before, during or after the Program as an adjunct to the meeting program.
- Satellite activities are not acceptable substitutes for activities that are designed to occur during ASTRO's exhibit program.
- Signage promoting the event can be displayed at the host hotel, along with two signs (no larger than 22 in. x 28 in.), in the public areas of the convention center, on the day of the Program only. Staff recruitment of attendees to the event, outside of the booth, is not permitted.
- Signage and distribution of Program flyers and invitations are permitted at the presenter's booth in the Exhibit Hall.
- Signage setup and dismantling is the provider's responsibility.

Site Selection

Programs approved by ASTRO may be held at ASTRO-approved hotels. If you are working with an ASTRO-approved hotel, the hotel will not assign space prior to receiving confirmation of ASTRO's preliminary approval. ASTRO will not reserve meeting space and cannot guarantee your preferred choice. It is the responsibility of the provider to send their preferred hotel a copy of the ASTRO-approved Application to Hold a Non-CME Informational/Educational Program.

(See Appendix F for listing of ASTRO-approved hotels.)

Evaluation Summary

All Program providers must send ASTRO a summary report of attendees' evaluations of the program. Attendees must be asked to evaluate the program for objectivity and evidence-based content.

Evaluation results are to be included in a summary report that must be provided to ASTRO's Education Department at annualmeeting@astro.org by December 19, 2025.

The above commercial supporter wishes to provide support for the named Program by means of an educational grant for support of the activity in the amount of \$ _____.

CONDITIONS

1. STATEMENT OF PURPOSE: Program is for scientific and educational purposes only and will not promote the company's products, directly or indirectly.
2. CONTROL OF CONTENT AND SELECTION OF PRESENTERS AND MODERATORS: Provider is responsible for control of content and selection of presenters and moderators. The company agrees not to direct the content of the program. The company, or its agents, will respond only to provider-initiated requests for suggestions of presenters or sources of possible presenters. The company will suggest more than one name (if possible); will provide speaker qualifications; will disclose financial or other relationships between company and speaker; and will provide this information in writing. Provider will record role of company, or its agents, in suggesting presenter(s); will seek suggestions from other sources; and will make selection of presenter(s) based on balance and independence.
3. DISCLOSURE OF FINANCIAL RELATIONSHIPS: Provider will ensure meaningful disclosure to the audience, at the time of the program, of (a) company funding and (b) any significant relationship between the provider and the company (e.g., grant recipient) or between individual speakers or moderators and the company.
4. INVOLVEMENT IN CONTENT: There will be no "scripting," emphasis or direction of content by the company or its agents.
5. ANCILLARY PROMOTIONAL ACTIVITIES: No promotional activities will be permitted in the same room or oblique path as the educational activity. No product advertisements will be permitted in the program room.
6. OBJECTIVITY AND BALANCE: Provider will make every effort to ensure that data regarding the company's products (or competing products) are objectively selected and presented, with favorable and unfavorable information and balanced discussion of prevailing information on the product(s) and/or alternative treatments.
7. LIMITATIONS OF DATA: Provider will ensure, to the extent possible, meaningful disclosure of limitations on data (e.g., ongoing research, interim analyses, preliminary data or unsupported opinion).
8. DISCUSSION OF UNAPPROVED USES: Provider will require that presenters disclose when a product is not approved in the United States for the use under discussion.
9. OPPORTUNITIES FOR DEBATE: Provider will ensure meaningful opportunities for questioning or scientific debate.
10. INDEPENDENCE OF PROVIDER IN THE USE OF CONTRIBUTED FUNDS:
 - a. Funds should be in the form of an educational grant made payable to the (THIRD PARTY COMPANY) _____.
 - b. No other funds from the commercial company will be paid to the program director, faculty or others involved with the activity (additional honoraria, extra social events, etc.).
11. Hold ASTRO harmless from any and all claims that may result from the program.
