

2017-2018 ARRO Fellowship Directory					
School	Coordinator	Contact info	Program Director	Contact info	Description of Opportunity
Yale University	Marilyn Powers	marilyn.l.powers@yale.edu	Veronica Chiang, James Yu	james.b.yu@yale.edu; veronica.chiang@yale.edu	CNS and body radiosurgery. The expectation is for the fellow to also participate in clinical research including participation in management of clinical trials.
University of Miami (Jackson)	Yamira Cuervo	ycuervo@miami.edu	Cristiane Takita	ctakita@med.miami.edu	Clinical Fellowship, non-accredited, for 1-2 years, with flexibility of areas of interest (GU, GI, brachytherapy, etc).
Stanford University	Jessica Frank	Je frank@stanford.edu	Mark Buyyounouski	mark.buyyounouski@stanford.edu	1) GU and prostate brachytherapy 2) Clinical Fellowship, non-accredited, for 1 year, with flexibility of areas of interest.
University of Pennsylvania	Cordelia Baffic	baffic@uphs.upenn.edu	Samuel Swisher-McClure	samuel.swisher-mcclure2@uphs.upenn.edu	Coming soon...Contact Cordelia Baffic for more questions.
University of Pittsburgh	Shannon Kroskie Smith	kroskiesmiths@upmc.edu	Dwight Heron	herond2@upmc.edu	SRS/SBRT Fellowship. 12-24 months
Albert Einstein College of Medicine	Uduakobong L. Mark	umark@montefiore.org	Keyur Mehta	kmehta@montefiore.org	On a case by case basis
Memorial Sloan Kettering Cancer Center	Melissa Dawson	dawsonm@mskcc.org	Abraham Wu	wua@mskcc.org	1) Brachytherapy Fellowship; 2) Clinical Translational Research Fellowship
Columbia University	Karen Schleif	kas2214@columbia.edu	Simon Cheng	sc3225@cumc.columbia.edu	Advanced Radiation Oncology Clinical Fellowship
Mayo Clinic, Rochester	Pamela Quinones	quinones.pamela@mayo.edu	Kenneth R. Olivier		Advanced Radiation Oncology Clinical Fellowship - more exposure to SBRT, Gamma Knife, IORT, brachytherapy, and proton beam therapy
MD Anderson Cancer Center	Denise De La Cruz	ddlacruz@mdanderson.org	Prajnan Das	prajdas@mdanderson.org	Yes: Advanced Radiation Oncology- design own 1-2yrs
University of California, Los Angeles	Angelina Bargeron	ABargeron@mednet.ucla.edu	Jeffrey Demanes		Brachytherapy fellowship
University of Florida	Nora Martin	marnor@shands.ufl.edu		rdagan@floridaproton.org (Adult); dindelicato@floridaproton.org (Peds)	1)Adult and 2)Pediatric proton fellowships
Oregon Health and Science University	Terri Welsh	welsht@ohsu.edu	Charles Thomas	thomasch@ohsu.edu	Clinical Informatics fellowship, 2 years. This fellowship will provide physicians with training in clinical informatics that will enable them to achieve board certification in the new subspecialty of clinical informatics. The fellowship is currently applying to obtain ACGME accreditation, which will be awarded to programs starting this year. Fellows will divide their time between informatics project work, didactic courses leading to the awarding of the Graduate Certificate in Biomedical Informatics, and clinical practice in their primary specialty.
University of Washington		uwrorp@uw.edu	Smith "Jim" Apisarnthanarax	lhalasz@uw.edu (IGRT/SBRT); apisarn@uw.edu (Protons)	1) Advanced IGRT and SBRT fellowship, 2) Proton therapy fellowship
University of Wisconsin	Julie Thomas	thomas@humonc.wisc.edu			Research Fellowship
Ohio State University	Meg Decker	megan.decker@osumc.edu	Evan Wuthrick	evan.wuthrick@osumc.edu	open to research fellowships
National Cancer Institute				camphauk@mail.nih.gov	Research Fellowship
Washington University	Allison Lehman	allison.lehman@radonc.wustl.edu	Jeff Michalski	michalski@radonc.wustl.edu	IGRT (clinical/research SBRT, MR-guided RT)
Harvard/Brigham and Women's Hospital	Carol Sterns	cstearn@bwh.harvard.edu	Larissa Lee	lilee@bwh.harvard.edu	1) Palliative care Fellowship, 2) CNS Fellowship, 3) Brachytherapy Fellowship
Harvard/Massachusetts General Hospital	Amanda Maidment	amaidment@mg.harvard.edu	Ann Chan (Protons), Torunn Yock (Pediatric Protons)		1) Proton and 2) Pediatric Proton fellowship
Cleveland Clinic	Danielle Berry	berryd2@ccf.org	Rahul Tendulkar	tendulr@ccf.org	Individualized to interests and backgrounds of fellow; Dept strengths include CNS, GU, and Thoracic services; Clinical research under direction of mentor.
University of Maryland	Tina Begay	tbegay@umm.edu	Wendla Citron	wcitron@umm.edu	Advanced Radiation Modalities Fellowship (proton treatment, thermal therapy and GammaPod™ stereotactic radiation therapy). Experience in additional advanced radiation modalities may be included.
Moffitt Cancer Center, University of South Florida	Angie Courtney	Angie.courtney@moffitt.org	Thomas Dilling (Advanced Rad Onc), Daniel Fernandez (Brachy)	Thomas.dilling@moffitt.org Daniel.fernandez@moffitt.org	1) Advanced Radiation Oncology Fellowship 2) Brachytherapy fellowship
Baylor	Amy Moore	am11@bcm.edu
